

# COPYRIGHT INFORMATION

Below are two options for your copyright information, one for non-fiction books and one for fiction/children's books. You will need to choose the right option for your type of book.

These are a guide only and you can delete or add any other relevant information that you need.

However, when using these guides remember to:

- Remove all unneeded lines
- Remove ISBN numbers that are not used
- Watch the line-breaks. Never split the words like 'New Zealand' over 2 lines
- Use a text point size of 9 – 10 pt

Please note the text in red indicates where changes are needed.

This is a work of fiction. Any references to historical events, real people or real places are used fictitiously. Other names, characters, companies and events are products of the author's imagination and any resemblance to actual persons, living or dead, is entirely coincidental. Any information in the story that has been presented as fact is public and has been sourced and researched from public records. The timing of certain events has been modified for the story.
